

# Dialogue Verbs

For each sentence, think of four new dialogue verbs that could be used, and write them out. For example:

- "What is all that paint doing on my carpet," \_\_\_\_\_  
Mum

*screamed, shouted, yelled, asked*

- "But why is it dangerous?" \_\_\_\_\_ Sam.

- "I am the greatest singer in the world," \_\_\_\_\_ Jim.

- Lucy \_\_\_\_\_, "that's not fair! He's had two goes!"

- "Have you tidied your room yet," \_\_\_\_\_ the  
babysitter.

- "Quick, get help," the man \_\_\_\_\_.

- "What's for tea?" \_\_\_\_\_ Jane.

- "Hold on," \_\_\_\_\_ the fairground Boss, "are you sure  
you paid?"

- "Save the farm," \_\_\_\_\_ the \_\_\_\_\_.

For each of the new dialogue verbs, think of a new sentence for them.
